**TOILET PAPER** became a coveted item in late March when many states across the country issued shelter-in-place orders in response to the coronavirus pandemic prompting **PEOPLE TO PURCHASE LARGE AMOUNTS OF HOUSEHOLD GOODS**. Data from Georgia-Pacific, maker of the Angel Soft and Quilted Northern brands, shows that the average American household - 2.6 people - uses about 409 rolls of toilet paper a year. The company estimates that **PEOPLE WILL USE ABOUT 40% MORE TOILET PAPER THAN USUAL IF THEY SPEND ALL THEIR TIME AT HOME** during the pandemic.

## Toilet Paper is Scarce

CDC calls on Americans to **WEAR MASKS TO PREVENT COVID-19** spread. "We are not defenseless against COVID-19," said CDC Director Dr. Robert R. Redfield. "**CLOTH FACE COVERINGS ARE ONE OF THE MOST POWERFUL WEAPONS WE HAVE TO SLOW AND STOP THE SPREAD OF THE VIRUS** - particularly when used universally within a community setting. All Americans have a responsibility to protect themselves, their families, and their communities."

## Masks are Required in Public

**6 FEET**

According to the CDC, since people can spread the virus before they know they are sick, it is important to **STAY AT LEAST 6 FEET AWAY** from others when possible. When someone coughs or sneezes, small, sometimes unseeable drops of liquid are sprayed out. If you're standing too close, you can breathe them in. Those droplets could contain the corona virus, if the person coughing is infected, according to the World Health Organization, **SIX FEET IS JUST FAR ENOUGH TO BE OUT OF REACH**.

# Holmes President

## Dr. Jim Haffey

Holmes County native Dr. Jim Haffey is the ninth president of Holmes Community College. When he began his presidency at the age of 37, he became the youngest president in the Mississippi Community College system. During his time at Holmes, he has been a huge part of the institution's growth.

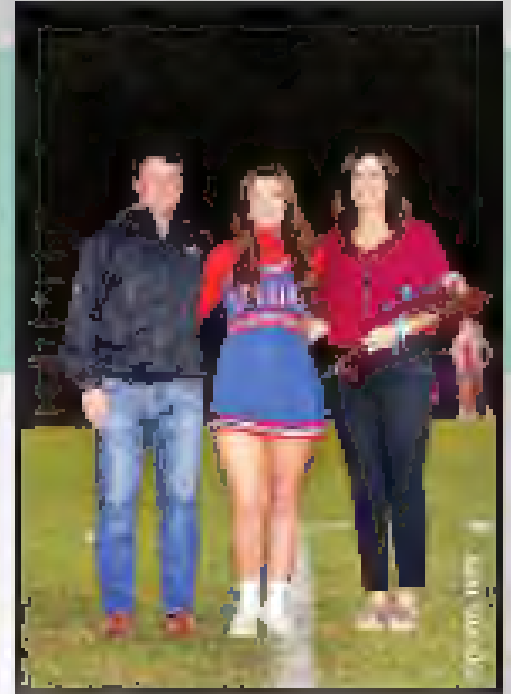

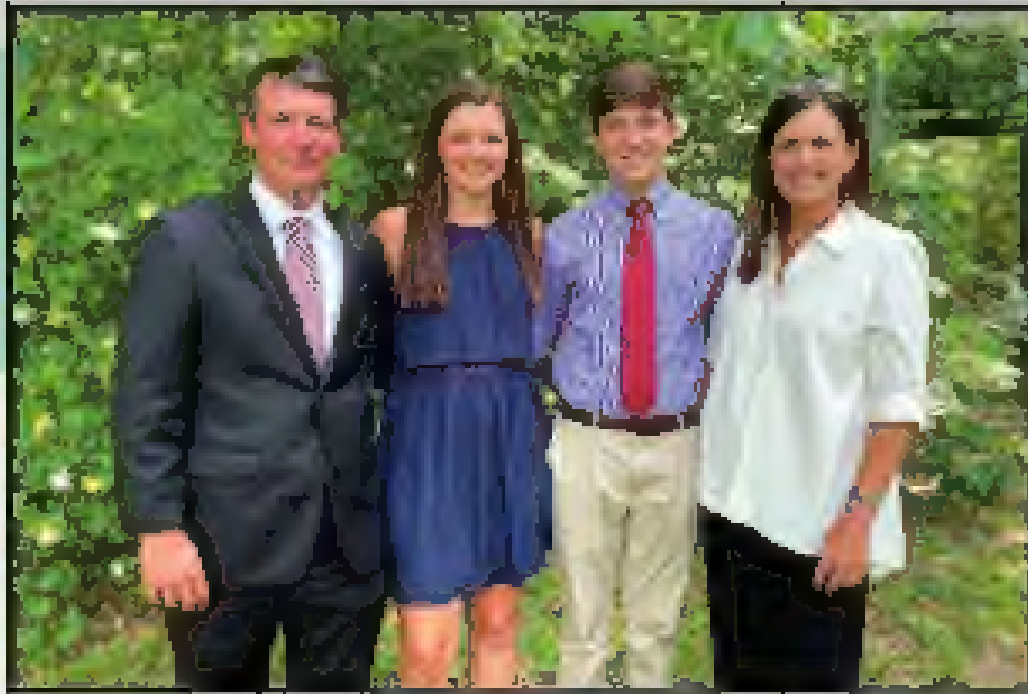

Despite the 2020-21 school year being an "off" year with the COVID-19 pandemic, Dr. Haffey still kept the college's momentum going. The list of improvements for each campus is long, but the most significant ones included the remodeling of the McMorrow Library, a new maintenance building on the Goodman Campus, repainting, repaving, remodeling of buildings, building improvements and wrought iron fencing to secure campuses. Holmes also received updated equipment on all campuses to enhance training for workforce programs and computer/server updates. Additionally, the college began offering a Winter Session to allow students more course options.

Holmes was also one of the first colleges to begin all online classes when the pandemic

first hit, with classes for 5,210 students available. Hotspots were provided where students could park and work on assignments in their vehicles and supplies are still continually purchased to ensure a safe learning environment. As a reflection of the college's academic, financial and student life accolades, Holmes was named Mississippi's Best Community College by Stacker as its "Best Community College in Every State" list, as well.

A 91 Holmes alumna, Dr. Haffey loves to share the impact the college has had on his own life. "Holmes Community College changed my life, as well as the life of my wife, Rae Anne," Dr. Haffey said. "It gave us both a fantastic foundation in higher education without being burdened long-term with a lot of student debt. My daughter, Hayley, is now enrolled as a dual credit high school student, and we are thrilled to watch her excitement about college grow. It has been a blessing to watch the confidence of hundreds of high school students grow when they finish a dual credit course and realize that if they are willing to work hard, college is attainable and achievable."

Outside of his presidential duties, Dr. Haffey enjoys golfing, boating, enjoying the outdoors, traveling and serving his community. Rae Anne is a pharmacist at Howell and Haggie Drug Co. in Durant. In addition to their daughter Hayley, the Haffey's also have a son, Hudson. Both children attend Central Holmes Christian School in Lexington.

## McMorrough Library

# Got a New Look

The Holmes Community College Development Foundation, Inc. has steadily been moving forward with the renovations of the McMorrough Library and Archives made possible by the National Endowment for the Humanities (NEH) Infrastructure and Capacity Building Challenge Grant and through the generous contributions made in the Development Foundation to match the NEH grant.

Ongoing efforts have resulted in beautiful transformations throughout the McMorrough Library and Archives as seen in the lobby entrance main reading area, Makerspace, computer lab, Mississippi Room, recruitment area, conference rooms and public restrooms. New circulation and reference desks, as well as additional computer resource stations have also been added. Much of the modernization of the library with most recent projects of new flooring and fresh paint completed, new funds are still needed to implement interactive technology in the study rooms, purchase essential furniture for

key spaces and renovate the facility's catering room, all of which will accommodate opportunities of engagement for community, faculty staff and students.

The estimation cost of the overall project is \$463,698 with half of the total amount (\$231,849) to be matched by the Holmes Community College Development Foundation, Inc. Currently NEH has certified \$124,930 of the dollar-for-dollar match requirement as submitted by the Development Foundation.

Only through new financial support given to the Development Foundation can the overarching goal of securing a lasting preservation of the humanities for the college and its neighboring communities be accomplished.

# Career Technical Education Adds 3 New Programs

Beginning in the fall of 2020 the Career Technical Education department began offering three new programs: Massage Therapy, Culinary Arts Technology and the Health Care Assistant program. Massage Therapy and Culinary Arts Technology are only available on the Ridgeland Campus, but the Health Care Assistant program is at the Goodman, Grenada and Ridgeland campuses.

"These new programs are the result of a lot of hard work and time spent networking with business and industry partners to determine where employment gaps exist in our district," said Vice President of Career Technical Education Dr. Amy Whittington. "We are very appreciative of these partners who have helped us bring the new programs to fruition."

The Massage Therapy program is designed to prepare students for careers as professional massage therapists. Core courses emphasize massage therapy principles, ethics, business application, pathology, anatomy and physiology, technique modalities and kinesiology. Graduates of the program can earn a Technical Certificate upon completion of Massage Therapy technical courses. The Associate of Applied Science Degree in Massage Therapy will be awarded upon successful completion of the entire curriculum.

The Culinary Arts Technology program provides a solid foundation in the methods and science of cooking through exposure to classical, American and international cuisine as well as the art of baking and

pastries. Special emphasis is placed on culinary tools, equipment, techniques and specialty ingredients. The heart of the Culinary Arts program is hands-on lab instruction by a chef instructor in a commercial kitchen. Graduates of the program can earn a Technical Certificate, an Advanced Technical Certificate or an Associate of Applied Science Degree depending upon exit point in the curriculum.

The Health Care Assistant Program prepares the individual to assist in providing health care as a member of the health care team under the direction of a health-care professional. This curriculum references standards based on the State of Mississippi Nurse Aide Candidate Handbook Exam Content Outline. Graduates of the one-semester program will be awarded the Certificate of Health Care Assistant. Students who complete the program may qualify for employment as nurse assistants, long-term care aides or home health aides in the Mississippi health care industry.

The Health Care Assistant Program is one semester long and successful completion results in a Career Certificate. Participants also have the option of taking a Phlebotomy course.

## Holmes nursing students

# Give COVID Vaccines

Holmes Community College nursing students and instructors from both the Associate Degree Nursing programs and the Practical Nursing programs from all campuses have been busy this semester administering COVID-19 vaccinations and will continue to do so throughout the semester.

Both the Pfizer and Moderna vaccines were given at the following locations: Canton High School, Smith-Wills Stadium in Jackson, Warren County Health Department at Joplin Mall in Vicksburg, Baptist Hospital, Philadelphia, Starkville, University of Mississippi Medical Center Covid Vaccine Clinic in Granada, Oxford Conference Center in Lafayette County, Health Department in Leflore County and Clinic Center in Panola County with future vaccinations scheduled at Trustmark Park in Pearl.

The Mississippi Department of Health reached out to nursing programs across the state, and Holmes answered their call for help. The programs have administered thousands of vaccines to this point.

"How exciting it is that our students get to be on the front line in such a critical time," Director of Health Science Programs Ginger Meninether said. "While most of us will read about and view the pandemic from the outside looking in, many health science students will be featured as those providing direct

patient care during this crisis. Imagine reading textbooks in the future and our very own Holmes Community College Health Science students are those of whom are administering direct patient care. I am extremely proud of all of our students and instructors as they lead by example."

"Due to the overwhelming strain on the state to administer widespread COVID-19 vaccinations, the Department of Health reached out to nursing programs across the state to notify us of upcoming vaccination opportunities," Ridgeland Campus PN Instructor Heather Roberts said. "We as instructors decided that our students should be involved in this unprecedented event at the ground level. We have been able to assist the MS Baptist Clinics with their vaccine drive on several occasions now, and we will also assist the MS National Guard with two different drive-through vaccination sites in the Jackson area."

"The experience was great for the students," ADN Assistant Director, Department Chair and Instructor Dr. Aime Austin said. "It gave them a ton of experience giving injections, built confidence levels and allowed them to use their communication skills. Also, it gave them an opportunity to be a part of the pandemic solutions."

"The students have enjoyed the opportunity to interact with Mississippi residents on a broad scale," Roberts said. "They've had the opportunity to practice social and mental health practices along with their physical skills. They've played a role in educating the clients and processing their information as well as providing the vaccine and immediate follow-up care. They had the ability to see themselves making a difference in the world."

"The students have enjoyed the experience," Attala Center PN Instructor and Division Chair,

Dr. Christ Blair said, "They have vaccinated between 400-500 people a day. They have learned multiple skills that are invaluable in the nursing field. It also allowed them to participate in this historic pandemic as part of the solution to this crisis."

Grenada Campus PN Instructor Heather Rozier said this opportunity gave the students more clinical and injection experience than ever before. "They are an instrumental part of a pandemic and will be a part of its history in combating and overcoming the devastation of Covid- 19," Rozier said. "The Grenada PN students assessed the recipient, explained the vaccine information, administered the vaccine and monitored them during each visit. This enhanced their time management and teamwork skills as well as effective communication."

"Our students really enjoyed the experience as it was a once in a lifetime opportunity to serve the community during a pandemic," ADN Assistant Program Director Dr. Theresa Hargett said. "The students observed and participated in a real community event showing them how the nursing role expands beyond direct care for an acute hospital stay. The students assisted in all areas of the experience from assessment to drawing up, administering and follow up with the vaccinations."

All instructors agree that for our society to return to some sense of normalcy Mississippians should get vaccinated.

"It's very important to decrease the number of cases," Dr. Austin said. "As healthcare and essential workers, we've been dealing with patients with Covid-19 for a year now. One way to decrease the numbers is for persons to get vaccinated. The vaccines are free so there is no expense."

"Individuals should receive this vaccine so their body has the ability to fight this virus," Dr. Blair said. "This not only protects the individual but also others they come in contact with on a daily basis. Everyone must do their part to help end this crisis."

"Encouraging citizens to receive the Covid vaccine is imperative to saving lives and returning to somewhat of a "normal" life," Rozier said.

"Faculty and students have seen first-hand in our nursing division and personal lives the severity the

impact of COVID-19 can have on individuals and families, Dr. Hargett said. "If we ever have any hope of returning to some type of "normalcy" it is imperative for everyone to get vaccinated to reach herd immunity."

The nursing programs saw the importance of their involvement in this process.

"We are training the new generation of health care workers, and they need to be exposed as to how to work in every situation," Dr. Austin said. "It happens to be the coronavirus this time. At one time, it was HIV/AIDS."

"I think having our program participate in administering the COVID-19 vaccines was very important," Roberts said. "We want to instill a sense of social responsibility in our students. Encouraging them to make a difference and participate in a time of extreme need will hopefully resonate with them as they become full-fledged nurses. We are all accountable for doing our part in this health-care crisis, and it gave our students an opportunity to do just that."

"Holmes is very involved in the community and this is one way [the nursing department] can assist and help stop the spread of the virus and be part of the solution," Dr. Blair said.

"Holmes instructors and students are forever grateful for the opportunity to be a part of history," Rozier said. "These students will have lived firsthand the history nursing books will print about for years to come."

# DESIGNS HISTORY

LEFT: Vaughan was an integral part in the process of creating the new flag.

RIGHT: Rocky Vaughan, author of the new Mississippi state flag, with his wife, Diana, and their daughter.

In November, Mississippi voters headed to the polls and passed a flag referendum adopting the new "In God We Trust" magnolia design that just so happens to be the concept of Holmes alumnus and graphic designer Rocky Vaughan.

Voters passed the measure 73.98 percent to 27.02 percent. The legislature adopted the measure in January when they returned to session and made the decision official.

The flag features a white magnolia blossom on a dark blue backdrop, with red bands and gold stripes. The flower is surrounded by 20 stars signifying Mississippi's status as the 20th state in the union, and a gold five-point star to reflect Mississippi's indigenous Native American tribes. Mississippi was the last state in the country whose flag, which was adopted in 1894, included the Confederate emblem.

Advocates for changing the flag had argued the Confederate insignia was a reminder of America's war to uphold slavery and a painful symbol for Black Americans. They also argued the 1894 flag

hindered the state's economic growth. Those supportive of the old flag claimed its removal would lead to further erasure of history. Vaughan, who hails from Ackerman, was a member of the choral music program while a student at Holmes in 1988-89. Vaughan said he had been working on ideas for a new flag for the last eight years.

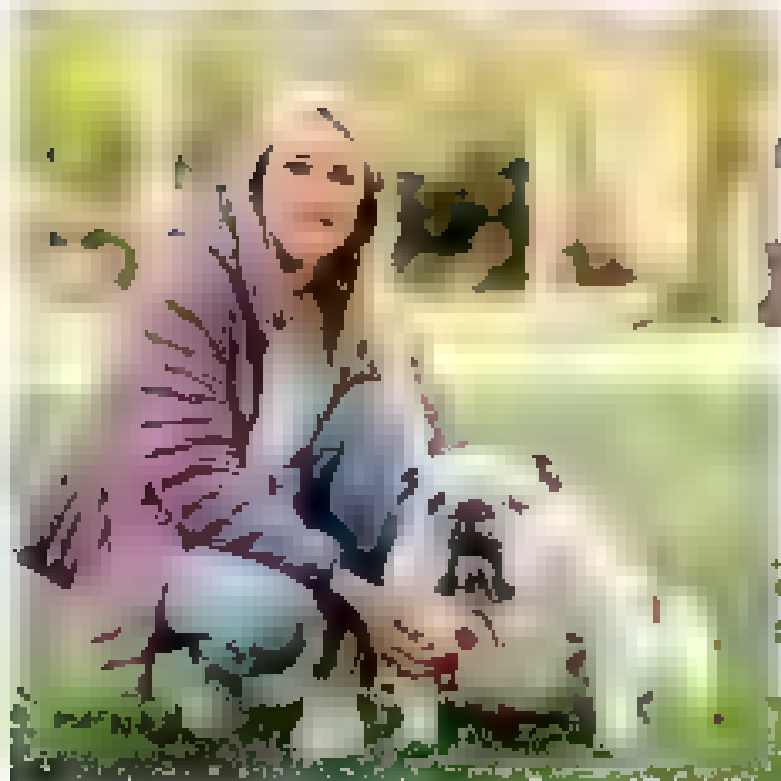

He said he can't take full credit for the final design because others had a part in it. Greenwood native Sue Anna Iob, who lives in San Francisco, drew the magnolia that was used in the final design while Oxford resident Kara Giles was brought in by the Commission to work on several of the final designs. "It's odd taking credit when there are other inputs in it, but I will claim the core ingredients," said Vaughan. "I will do that."

His submissions switched the vertical lines he'd been using to horizontal after hearing from the flag expert. Still,

"They've kept the core and I'm pleased to have my name on it," added Vaughan. "So, let's hope a Mississippian can take it home."

As for the symbolism, thus is what he said: "I didn't want to overthink the flag. I didn't want to overthink it all. I didn't want to do homework. I didn't want to spend nights in the library. I didn't want to do anything. I don't need help or research to symbolize the Magnolia State. It's already there, right?"

# Leslie Spell is 2021 Shelton Award Winner

Picture is with Spell with her dog Max.

Leslie Spell is the recruiting specialist and ambassador sponsor at Holmes Community College on the Goodman Campus. Spell is the recipient of the Paul and McGee Shelton Award to honor her hard work and dedication in Holmes Community College.

Spell, a native of Lexington, attended Holmes where she earned her Associate of Arts degree. She also holds a Bachelor of Arts in Psychology from Belhaven University and a Master of Science in Guidance and Counseling from Jackson State University. Spell is currently pursuing her Ed D in Higher Education from The University of Mississippi.

The passion Spell pours into her current position comes from her diverse knowledge in higher education as a result of teaching, counseling and

recruiting for more than 20 years. Spell oversees the Goodman Campus Ambassadors, a select team of academically accomplished students. The Ambassadors conduct campus tours, assist with student registration, manage prospective student outreach efforts and participate in both community and campus events.

Recruiting prospective students from the nine-county district is an essential role of the college, which requires a great deal of commitment and organization. Therefore, Spell works closely with the Goodman Campus Ambassadors, providing them with leadership, communication and recruiting strategies to ensure her team is the ultimate point of contact. As a recruiting specialist, Spell also travels to college, job and/or military fairs hosted by schools and employers within the district and shares recruiting resources with counselors and career centers. Hence, Spell covers a lot of ground on behalf of the college.

Two of the most fulfilling personal relationships with students and their families, while laying the necessary groundwork to recruit them to Holmes," Spell said. One of Spell's most rewarding responsibilities is being the primary caretaker of the Holmes Community College mascot, Max, a four-year-old English bulldog, who represents the college at academic and athletic events throughout the year.

Spell resides in Goodman and is affiliated with various professional organizations, such as the Mississippi Counseling Association, Mississippi Community Junior College Counselor Association, and the Mississippi Association of College Registrars and Admissions Officers. She enjoys reading, cooking and watching her daughter Taylor, 16, play basketball.

# Holmes hosts Make a Wish event

The Holmes Community College Adult Center sponsored a "Cruise for a Wish" event benefiting the Make-A-Wish Foundation on Monday, Oct. 8, 2023. Anyone who made a donation to the "Cruise for a Wish" campaign was allowed to sign a giant greeting card that was presented to each child who received a wish. During the entire month of October, Norwalk Media and the Make-A-Wish Foundation were "Cruise for a Wish," with the official "Cruise for a Wish" truck traveling to local businesses in Atoka, Leake, Newton, and Winston counties to raise money and help grant wishes for children in each county.

# Grenada Campus starts Campus Food Pantry

The Alpha Mu Beta Chapter of Phi Theta Kappa on the Grenada Campus of Holmes Community College has continued to grow their pantry project.

The Woodmen Life Chapter 13 in Grenada donated \$5,000 to help PTK Grenada get started on a project for the Grenada Campus to help address an issue of food insecurity on college campuses.

The Holmes Grenada Campus Phi Theta Kappa Advisor Cynthia Abel and Sherry Falkner, treasurer for WoodmenLife Chapter 13, worked together with the Phi Theta Kappa members to provide a safe place where students would have the option to get something to eat if they are hungry.

The first phase of the project started immediately with the Grenada Phi Theta Kappa chapter members handing out Bulldog Bags, named after the school mascot.

"Hunger being a global issue that is very prevalent in our community, our Phi Theta Kappa chapter thought the food pantry would impact over 1,100 students in a positive way," Abel said.

The Grenada Phi Theta Kappa chapter continues to offer the Bulldog Bags but it has expanded. Now the project has its own location on the Grenada Campus across from the Delta Phi Theta Kappa. It is striving to stop hunger in the community.

"By helping to provide food, students can perform better, resulting in better grades and higher graduation rates, thus better job opportunities, thus stronger family units, thus the ability and opportunity, in turn, to give back to the community, making our country stronger," Falkner said.

The WoodmenLife Chapter 13 was awarded Outstanding Project of the Year for teaming up with the Grenada Phi Theta Kappa chapter to fulfill a need within the local community.

## PTA students renovate local playground

On July 1, the PTA students did a Facebook live streaming to select the winners for their fundraiser. Pictured are Jeff Wright, Talley System Inc. Hunt, Brainerd Area High and Katie Puck.

Each year the Holmes Community College Physical Therapist Assistant (PTA) freshmen on the Granada Campus are responsible for completing a service project that meets a need within the surrounding community. This year the class chose to develop a playground in Duck Hill located just off of Highway 51 behind Regions Bank. The students selected this project as one of their class members, Ashlyn Bloom, is from Duck Hill. Bloom has a young child whom she would like to take somewhere that is safe and clean to play and this playground needs some care to meet the local community's needs.

The project began in the summer of 2020, prior to the start of the school year. At the end of June, the class met with the mayor of Duck Hill, Joey Cooley, who passed the process along to the Board of Alderman from Duck Hill. After approved, the PTA students for the ground running with fundraising efforts.

The students set up a raffle, sold tickets and drew the winner through a live Facebook drawing on July 15. The winner, Leslie Brack of Granada, won a package including two pieces of McCarty Pottery, a candle from Whimsical Soaps and some cute Holmes merchandise. The annual fundraiser raised \$2155 for the Duck Hill playground project. All the funds went toward supplies and equipment for them to improve the park/playground.

On July 31, the class held their first work day on the playground. They cleaned and prepped the tennis court for painting, fixed broken playground equipment and stripped equipment for maintenance. In addition to painting the tennis court and working on playground equipment they made plans to add tables, benches and possibly a walking trail to the area for the community to enjoy (as more funds were raised).

Local businesses, including Homestrom and Lindley Brothers Construction, teamed up with the Holmes AIA class to help them successfully complete the project. Additionally, Sherwin Williams of Grinnell donated supplies to the project and the Friends of the Library in Duck Hill donated funds toward the walking trail.

The students involved in this project were Jared Hunt, Karsten Jensen, Tabby Byars, Rebecca Christian, Lindsey McLellan, A lie Dunn, Katie Pugh, Ashlyn Bloom, Derek Willford, Savannah Gore and Shelby Baurle.

# Brown, Pinnix receive Halbrook Award

In December of 2020, Ja'Laysia Brown of Kosciusko and Cade Pinnix of Madison were named as the Holmes Community College female and male recipients of the prestigious Halbrook Award for the 2019-20 school year as announced by the Mississippi Association of Community Colleges.

Brown, a Kosciusko High School graduate, played two seasons for the Women's soccer team while Pinnix, a Germantown High School graduate, is a currently sophomore on the baseball team.

Student athletes from Mississippi's public, private, two-year and four-year postsecondary institutions were honored for their achievements in the classroom with the annual Halbrook Awards, presented at the Mississippi Association of Colleges and Universities (MACU) business meeting, held this year using an online meeting platform. The program recognizes colleges and universities that achieve and maintain high academic standards for student athletes, thus encouraging high graduation rates. The award was endowed by former Mississippi Representative David Halbrook Sr. and his brothers in honor of their parents.

The awards are usually presented during the annual MAC Conference, which brings together attendees from across the state serving in postsecondary institutions in roles including presidents and chancellors, chief academic officers, chief student affairs officers, chief financial officers, admissions officers, institutional effectiveness officers, faculty and administrators. Due to COVID-19, the MAC Conference was not held this year.

The David M. Halbrook Certificate for Academic Achievement Among Athletes recognizes the efforts of individual student athletes who excel in academics, leadership, and service. Each college or university selected a male and female student athlete to receive this recognition. The Halbrook Award for Academic Achievement Among Athletes was established in 1984 as a result of the passage of House Concurrent Resolution No. 98. The awards program is made possible through endowments from former Representative David M. Halbrook of Belzoni and his brothers, John C. and James G. Halbrook of Belzoni and J. A. Halbrook of Beaumont, Texas, in honor of their parents, John C. and Ernestine McCall Halbrook.

# Pinning Ceremonies

Things looked a little different across the district this year, but some of Hobbes programs were still able to celebrate with their yearly Pinning Ceremonies. Some were pretty close to normal, with the addition of masks and students entering the room one-

by-one, and others look on a new forward, such as Ridgeland ADE's "drive-up" pinning ceremony. Either way, these hard-working students were able to celebrate their achievements and participate in longstanding traditions for their respective programs.

The Holmes Atlanta Center held a Pinning Ceremony for the graduating Practical Nursing Class of 2020 on June 25 at the center in Kennesaw. Included in the ceremony were the best & most talented and the first graduates of the hybrid PCN program, for a total of 18 students. Each graduate entered the hallways individually with their parents and received their diploma, corsage and candle. Pictured are some of the graduates with their mothers. Inclusion: Dr. Christa Blum. They are: (l-r) Courtney Blum, Shantia Williams, Elizabeth Rogers (mother), Hollis (Dr. Blum), Lisa Napper, Cherry Vega and Shantia Williams.

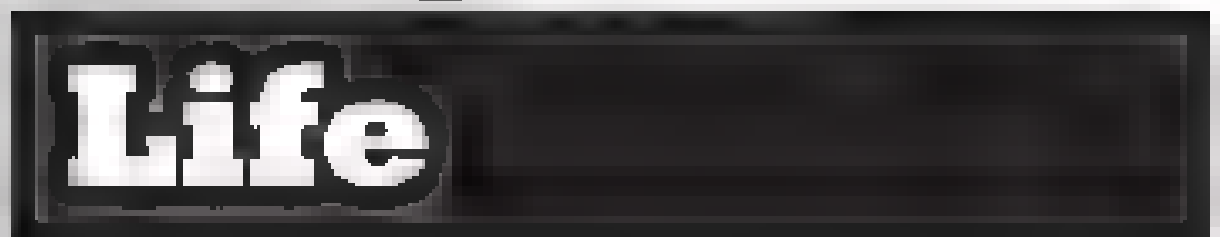

The Granada Associate Degree Nursing - ADN Pinning Ceremony for the fall of 2020 was a celebration of success held on November 4 outside the Industrial Technology Building on the Granada Campus.

1 Tie-dye is huge this year. All the different styles of tie-dye are in.

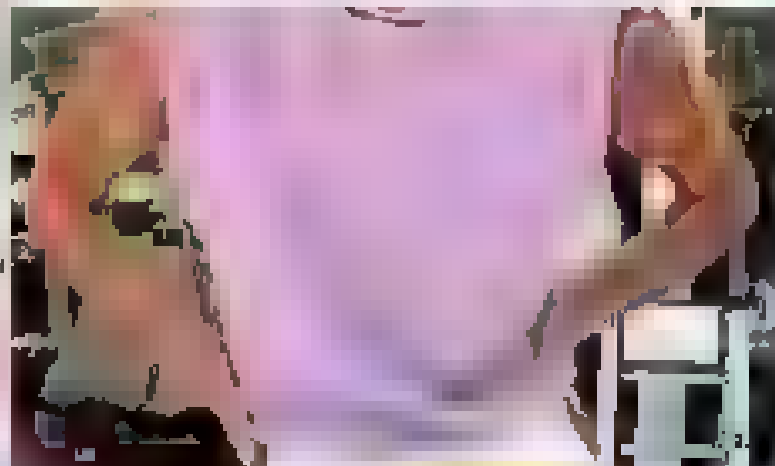

2 If you must wear a face mask, might as well make it reflect your personality, whether that be animal print, sparkles or supporting your team.

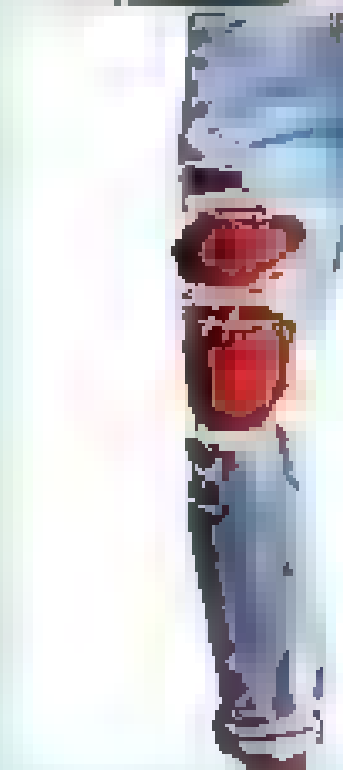

3 Even after getting out and about after being at home for months, fashionable loungewear is still a must.

4 Boyfriend jeans, dad jeans, mom jeans, baggy jeans. They might get called all of the above, but they are in style in 2021.

5 Old trends resurged. One of those is cowboy boots.

6 Apple announces iPhone 12 and iPhone 12 mini. A new era for iPhone with 5G.

7 Muscle shirts/backs with shoulder pads are taking over Instagram.

8 On Dec. 3, Pantone announced that its 2021 Colors of the Year are Ultimate Gray and Illuminating, shades chosen for their warmth and dependability. For over 20 years, Pantone's Color of the Year has influenced product development and purchasing decisions in multiple industries, including fashion, home furnishings, and industrial design, as well as print packaging and graphic design.

7. Scrunchies are popular again, and also good for your hair

10. Mini backpacks that make fun-sized (and) accessories are in

1. Cargo pants are everywhere these days, but with a sleeker look than the baggy '90s version

12. Fishnet-style sandals are chic in 2021

13. Bike shorts are the ultimate trend that's still going strong

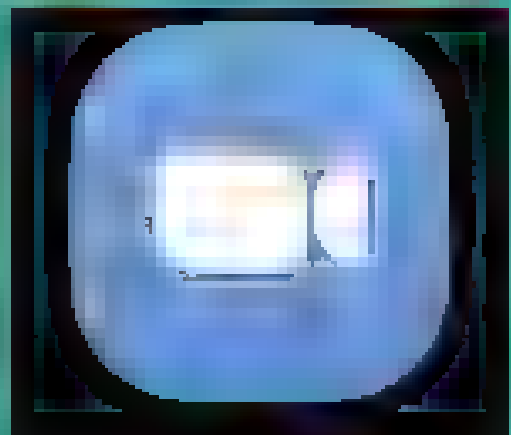

# TRENDING

3 The tragic and unlawful deaths of George Floyd (top), Ahmaud Arbery, and Breonna Taylor (pictured from left to right) sparked the Black Lives Matter Movement at the beginning of 2020. Many people all over the world protested in hopes of receiving justice for the three innocent lives lost.

4 The announcement and release of the PlayStation 5 had gamers all over the world go into a complete frenzy. It had been over a year since the previous console dropped.

5 Zoom became popular in 2020 all due to COVID-19. A lot of schools used Zoom as a safer alternative to in-person

4 The cake trend/meme caused much confusion earlier this year. What people thought were regular donuts, always ended up being a cake. Lots of people on social media started to question any item they had seen do or this crazy fun meme.

5 A slight drawback this year was drive-in movies. This was brought back in hopes of giving people some joy during quarantine since many theaters were closed due to the COVID-19 pandemic.

6 Stimulus checks were given to many qualifying families in the United States as a relief. And due to many people losing their jobs/being laid off due to COVID-19. The check was \$1,200 and around .98 million checks got sent out.

# WHAT'S TRENDING IN 2020?

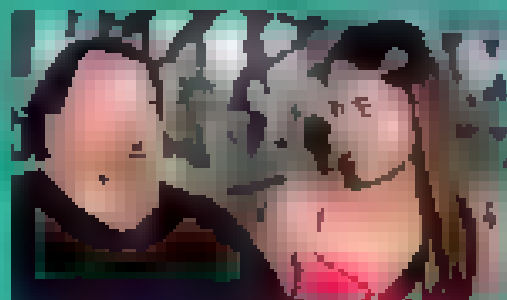

7 The multi-layer game "Among Us" became really popular this year. The game consisted of Crewmates rushing to finish their tasks before getting caught by The Impostor.

8 The 2020 Presidential Debate shocked many people worldwide. President Trump and VP Joe Biden were seen talking over each other and throwing sick shots for the majority of their 90 minute debate.

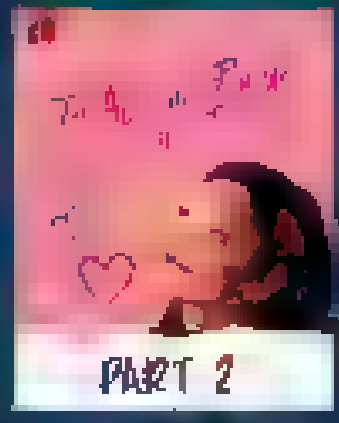

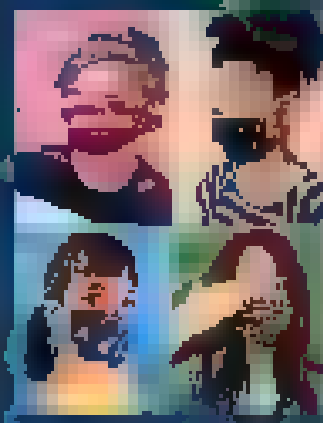

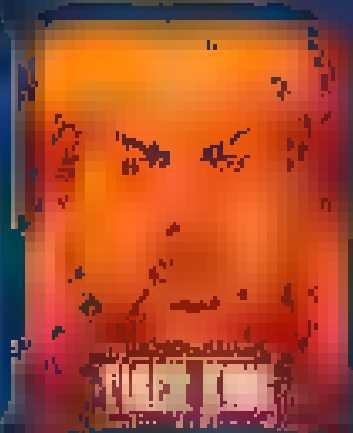

9. Rose and Big Ed from TLC's "90 Day Fiance" broke the internet for being a very interesting couple. From how they treated each other to differences in appearances, and age gap as well.

10 The tragic sudden death of NBA player Kobe Bryant and his daughter Gigi Bryant shocked millions of people worldwide.

14

11 The iOS14 update gave Apple users many new features, the main one being the Picture in Picture FaceTime feature.

12 The "Tiger King" DocuSeries was very popular this year. This Netflix show sparked many conspiracy theories between Joe Exotic and Carole Baskin.

13 One way many people all around the world made wearing a mask a little less miserable was by getting reusable ones. Not only are you getting good use and saving money, you are also able to look cute while doing so.

14 "To All the Boys I Loved Before P.S. I Still Love You" was a heartful sequel released on Valentine's Day.

**Right:** The Holmes cheer leaders performed before the game and kept the crowd excited while the Bulldogs played.

The first of the three main events of the festival is the 'Mardi Gras' parade, which takes place on the first night of the festival. The parade is a colorful and lively affair, featuring floats, bands, and dancers. The second event is the 'Jazz Festival', which takes place on the second night. The festival features a variety of jazz bands and solo artists. The third event is the 'Carnival', which takes place on the third night. The carnival is a day of fun and games, with a variety of activities for all ages.

# Alumnus of the Year

Pictured on left to right: Goodman Campus Vice President Andy Wood, Alumnus of the Year recipient David Hudson and Ridgefield Campus Vice President Dr. Don Burnham.

The Holmes Community College 2020 Alumnus of the Year recipient was David C. Hudson.

Hudson, a native of Knoxville and a 1988 graduate, was heavily involved as a student at Holmes. During his time at the College, he was awarded the Physics Award, Inducted into Hall of Fame and voted Most Handsome. He was also a member of Phi Theta Kappa and the baseball team, making the all-star team his sophomore year.

"I have great memories from Holmes," Hudson said.

During his time at Holmes, Hudson was inspired by his chemistry instructor, Ray Ralledge. Ralledge's classes adequately prepared him for the next level of education.

After Holmes, Hudson transferred to the University of Mississippi where he earned a B.S. in pharmacy in 1992. (During his last year of pharmacy school he married his wife, Christy.)

Hudson's first job as a pharmacist was at Thrive Drugs in Port Clinton. Hudson worked three years in west Mississippi before moving back to Knoxville.

Twenty-three years ago, Hudson moved back to the area to be a pharmacist at Sullivan's Discount Drugs. Today, Hudson is the owner of several pharmacy businesses. He is owner and operator of Sullivan's

Pharmacy in Knoxville, Tennessee. He is also the owner of Hudson's Pharmacy in Ridgefield, Tennessee. Hudson is a member of the American Pharmacists Association and the Tennessee Pharmacists Association.

Hudson is a member of the Ridgefield Community Church and the Ridgefield Chamber of Commerce. He is also a member of the Ridgefield Rotary Club.

# Young Alumnus of the Year

Presented are (left to right) Goodman Campus Vice President Andy Wood, Young Alumnus of the Year Gerry 'Austin' Taylor and Ridgeland Campus Vice President Dr. Don Burnham.

Kennesaw native Gerry "Austin" Taylor is the Holmes Community College Young Alumnus of the Year.

Taylor is a graduate of Kennesaw High School. He followed in both of his grandfathers' footsteps, by attending Holmes; his grandfather Allen Taylor (1951-53), and Dr. Don Bolk (1953-55).

Taylor was a scholar-athlete as well, earning an invitation to be part of Phi Theta Kappa Honor society. Taylor was the 2005 MVP for the Holmes Dirtbags. He earned Membership in the Association of Collegiate and Junior Colleges All-State coaches and represented his team in the Mississippi Junior College Baseball Showdown.

In the 2005 Major League Baseball draft,

Taylor was selected by the Atlanta Braves in the 15th round. He is currently a member of the Braves organization and is currently playing for the Gwinnett Braves.

# Veteran of the Year

Pictured are (left to right) Goodman Campus Vice President Andy Wood, Veteran of the Year Eric Payton Gilkey and Bridgeland Campus Vice President Dr. Don Burnham.

Holmes Community College 2020 Veteran of the Year is Canton native Eric Payton Gilkey. Payton Gilkey played forward on the Holmes basketball team under Bernie Kinkle while attending in 1984-85. He then joined the military, returning to Holmes in 1989-90 after three and a half years of service.

After graduating from Holmes, Payton Gilkey transferred on to Southern Arkansas University where he played two years of basketball under Coach Marvin Ingram as forward.

In 1987, Payton Gilkey earned a B.A. degree from Southern Arkansas University. He even worked as a student basketball coach while working on his degree.

Payton Gilkey re-enlisted to serve our country in 1989 with the National Guard and later transferred in to the Army Reserve. He served some time mostly in Kuwait and another in Iraq.

# Distinguished Service Award

The Holmes Community College 2020 Distinguished Service Award recipient was Clytie Robertson Gardner.

She is the wife of the late Burris Theodore Gardner. At Brandon Together the Gardners have shown great service and dedication to Holmes. Gardner continues to serve on the Development Foundation Board of Governors and is an active member the Holmes Legacy Club.

A native of Saffis, she and her husband met at Holmes in 1949 and were married in 1956. They shared 63 years of marriage before his death in June 2018.

Everything Gardner has committed to in her life she has done with the commitment and dedication she loved her job with South Central Bell Telephone Company (now AT&T) and retired with them after 37 years of service in 1989.

Before she retired she had been taking night classes at Millsaps College for years and she only lacked 21 hours to graduate. When she retired in May of 1989 she enrolled as a full-time day student at Millsaps. In August of 1990, she earned a B.S. degree in history from Millsaps College.

Gardner was a very active volunteer and all of her assignments were very meaningful. A few of the groups she volunteered with over the years included her church, Telephone Pioneers of America, USA International Ballet Competitions, Jackson International Airport

and Mississippi Department of Archives and History.

Gardner has been awarded several awards for her service in all aspects of her life. Some of these awards include the Spirit of Service Award by Telephone Pioneers of America, the Lifetime Achievement Award by BellSouth Pioneers in 2008, Certificate of Appreciation from USA International Ballet Competitions, the President's Volunteer Service Award by the White House under President Obama, by the Mississippi Department of Archives and History and certificate of appreciation from the Jackson International Airport.

Gardner resides in Brandon. She continues to contribute to Holmes through the Burris T. and Clytie Robertson Gardner Scholarship. But she and her late husband established to help students in need of assistance for tuition books and supplies.

Head Coach West Creek Gaudin definitely said a quote that is saying for this year's team to say by themselves soccer player Pete. "Soccer is an individual. It is hard work, perseverance, learning, studying, sacrifice, and most of all, love of what you are doing or learning to do."

Former Holmes men's soccer player for Brown of Clinton kicked his first field goal ever in a football game in the Jacksonville Jaguars 34-18 loss to the Detroit Lions in Jacksonville in October of 2011. Brown left a 35-year child in the Jaguars and also played as a tight end and also kicked a 33-yard field goal. He was part of the 2012 MACJC Junior Cup Holmes

Jackson

soccer team. The Bulldogs finished the season 12-4-0 after their season came to an end in the Region 2000 Tournament playoffs game versus Madison. He had three goals and three assists for Holmes during his one season.

Before he Holmes, Brown played both soccer and football at Holmes. He finished his career with 21 goals and 10 assists in football. He played with coaches for the Ravens. Before Holmes, he played one season of soccer at the University of Kentucky before he went to Louisville and worked as a football quarterback but never attempted a field goal. His first professional contract was with the Cincinnati Bengals. He was signed by Cincinnati in September 2011 and signed by the San Francisco 49ers in 2012 and worked before as a player in 2013. Brown was also a member of the USA men's U20 national team.

The Bulldogs were still playing at the time of yearbook publication, but had a 15-3 overall record out of the 18 games they had played up until that point. They had an average of 28.5 points per game, a 44.3 field goal percentage, a 34.7 3PT percentage, a 71.6 free throw percentage, a 14.7 assist percentage and an average of 25.5 rebounds per game.

Holmes sophomore guard Kaleb Higgins of Pine Bluff, Arkansas, was named the MACCC Men's Basketball Player of the Week for his play in the Region XXIII Tournament. Higgins helped lead the Bulldogs to the Region XXIII Tournament in Hutchinson, Kansas. The Bulldogs defeated Northwest, 81-58, in the Round; Pearl River, 64-58, the semifinals; and L&ME, 70-44, in the quarterfinals.

Higgins led the Bulldogs in scoring with a 18.9 per game average. In the Region XXIII Tournament games, he scored 23 vs. Gulf Coast in the second round, 12 vs. L&ME, 16 vs.

Pearl River and 14 vs. Northwest in the championship game. Higgins shot 47.5 percent from the floor, 50 percent from three and 88.3 percent from the free throw line. He averaged 18.3 points in the three games. He was named to the MACCC North Division First Team and MVP and was also named to the Region XXIII All-Tournament Team.

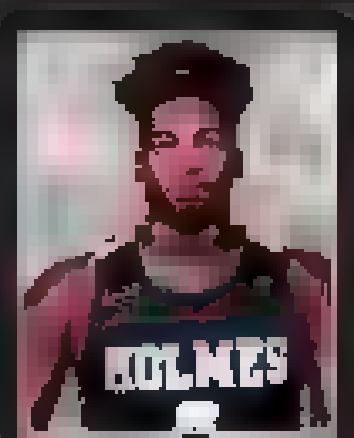

Holmes held a pep rally for the team on April 16 to send them off to the 2011 NJCAA Men's Division I National Tournament in Hutchinson, Kansas.

"First of all, none of this would be possible without the Bulldog Nation," said Head Coach Jason Flasterman. "I want to thank everyone that's part of the Bulldog Nation. It's a great feeling to be a Bulldog right now. I'm proud to be part of the Holmes family. There's No Place Like Holmes and we are going to make everyone proud when we step out in Kansas and represent the state of Mississippi."

The "Bulldogs" baseball team was not quite done with the 2020-21 season at the time the yearbook went to publication, but at that time, was 5-42 overall out of the 36 games played. Up until that point, the team had 130 runs, a .305 batting average, a .346 on base percentage, a .462 slugging percentage and 16 home runs. This was Coach Scott DeLoach's first season as head baseball coach at Hobbes Community College.

DeLoach, who won the All-State selection and championship at Madison Central, was a standout catcher for the Mississippi State University Bulldogs and the Tennessee Community College System. He brought nine years of coaching experience to the college.

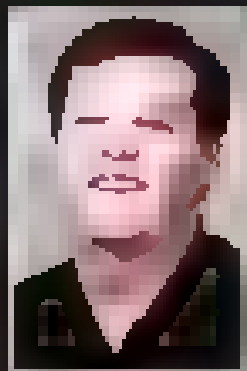

"We are very excited about the direction this program is heading in," said DeLoach.

A lot of growth, both physically and mentally, in our program this year. I am very grateful for our sophomores who have continued to battle and lead all year long. I cannot imagine the struggle of transitioning to a new coaching staff, while also battling the movement of COVID regulations and slow work. Our sophomores have really helped lay the foundation for the things we are going to build on."

Freshman Brady Wilson of Hickman, a left-handed pitcher, was welcomed into the Southeast Collegiate League's Jackson Division, and freshman Kenneth Moore of Leesville, an infielder and right-handed pitcher, was welcomed into the Southeast Collegiate League's Cape South Division. Southeast Collegiate League is a summer college baseball league open to current college players and committed graduated seniors.

Garrett A. Brown

Kenneth W. Boyd

Jonathan "Toad" Byham

Studying and teaching science at West High School in 1964, he was awarded Most Excellent of the Year and Varsity Award in 1966-67. He was awarded Distinguished Coach of the Year.

In 1977, Brown started his career in education, leaving from the University of Kentucky. Then took a head coaching position at Nashville High School, where he is today. Twenty years later, Brown has this to say: "I will be starting my second season as a coach in the fall under Coach Steve Tiner and his wife Meg in Memphis with their three kids, Harrison (18), Derwin (16) and Mitchell (14). He also served as a mentor of Mr. Earl B.L. Clarke in Louisville.

Then later Jonathan M. Boyd of Dayton played basketball at Holmes for two seasons under Coach Todd Winkles. Boyd was an All-graduate of Holmes. He followed in his brother Taylor's footsteps, which also played basketball at Holmes.

Boyd was part of the 1994 team while was the 1995/96 National Basketball Championship. He also participated in several tournaments while at Holmes. In the 1997, Boyd was recognized as the Most Valuable Player for three consecutive years. The following season, he received the Frank E. Swain Award, was named MVP and participated in the MACHS North All Star Team.

After Holmes, Boyd continued his career in basketball at Miami Dade University. His achievements included subregional all-conference team in 2005, AEC All-Star Basketball South Region, All-American 2008-09, All-Conference Young Adult 2010 and All-Conference Forward in 2012.

While at Miami, Boyd earned a B.S. in education and an M.Ed. in secondary education. After college, he continued to share his love of basketball with youth. He volunteered with the Miami-Dade High School boys and girls basketball and taught P.E. at Liberty Elementary School, where he was named as the coach of the team. In 2013, Boyd was hired as head coach of Miami Palmetto.

Boyd's love for basketball began in 1964, when his two brothers joined the basketball team at a Sunday 5-5 championship game, which he was named MVP All-Coach of the Year.

Boyd was diagnosed with leukemia in early 1986 and had five high-dose chemo treatments at age 38. He had a daughter, Taylor, four days after he was 39.

Boyd's family continues to be what he hopes to do with Boyd. Inspired by love of Boyd's life, the Journal Coach Steve Tiner Boyd Boyd is given as a high school senior and also in the life of Boyd's family. Holmes Athletics now serves as a coaching athlete, who continues the principles of dedication as Boyd has.

Jonathan "Toad" Byham, a graduate of West High School, played defense and at Holmes for the 1991-92 season under Coach Frank Swain.

Boyd was named MVP All-Conference and All-Conference Championship all-conference to West Virginia University. After West Virginia, he also played at Southern University where he was named the most successful player named MVP. He also played for a year in 2005 for the Washington Redskins. Then he went on to play to play basketball around the Canadian Football League for several years before trying his talent in the NFL Arena League.

Boyd was awarded Distinguished Player of the Year in 2010 while playing for the Miami Eagles in New York. In 2012, he was part of the team that was the Miami Bowl MVP. After the 2012 season, he was hired as head coach of the team.

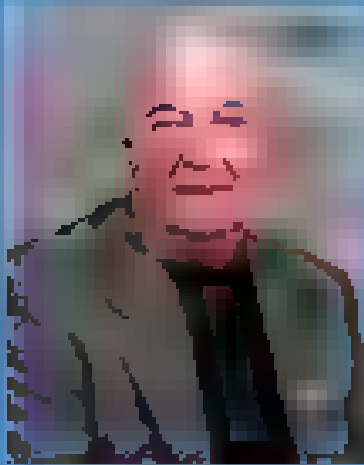

Boyd lives in New York with his family and football coaches. He has two of his 10 years after he left Holmes. Now he continues to play youth, helping prepare them to be successful in the field.

# Retirements

**Susan Carraway Anderson** retired from Holmes after seven years as an Associate Degree Nursing (ADN) instructor on the Hindsdale Campus. Prior to Holmes, she taught at Mississippi Delta Community College for 18 years. Anderson holds a BSN from the University of Mississippi (1988) and a master's from The University of Southern Mississippi (1997). In her free time she enjoys serving as a Certified Pet Therapy team with her standard poodle, Banjo, and working in the yard. Anderson has two children: a son, Olex, and a daughter, Carraway. She plans to continue working part time in various settings, and looks forward to having more time for pet therapy with Banjo and traveling.

"Holmes has been absolutely wonderful to me and I am so grateful, Anderson said. I love the students and my coworkers."

**Kay Bates** retired from Holmes after four years of serving as director of admissions and records for the college. Bates earned both her bachelor's and master's degrees from Eastern University. She is a member of First Baptist Church of Orem Springs, and she enjoys reading, working in her yard, watching her favorite shows and getting into an exercise routine. Bates has three children and seven grandchildren.

"I am enjoying being close to family again," Bates said. "I am looking forward to watching my grandchildren play in their sporting events and I also plan to do some traveling. I did truly love my time at Holmes. I have made lifelong friends whom I will cherish forever."

**Lynn Boykin** retired from Holmes after 12 years as an Engineering Technology instructor. She holds a bachelor's degree in landscape architecture from Mississippi State University and a master's in education from California State. Before coming to Holmes, she worked as a drafting instructor at Clinton High School and as an instructor for Copiah-Lewis Community College.

In her spare time, Boykin enjoys kayaking, sailing, hiking, hiking, camping, gardening, fishing and hunting. She is an active member of Twin Lakes Baptist Church and resides on the City Line and her husband, Billy R. Boykin, Jr. have two children: Billy R. Boykin, III and Kristin L. Boykin. During retirement, she plans to travel, garden and perhaps one day play with grandchildren.

# Retirements

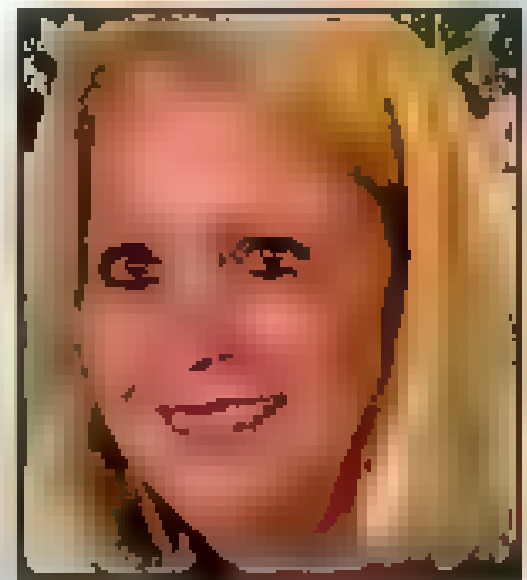

**Judy Burrell** retired from Holmes after 3 years. She worked in human resources on the Goodman Campus for 10 years and has spent the last three working at The Atlanta Center as coordinator of Atlanta Center operations and administrative assistant to Workforce Coordinator Mandy Burrell. Prior to Holmes, she was a UPS delivery driver for 18 years and at W & F Bank for two years. Burrell is a graduate of Pahlshorn High School in Marietta, Georgia. Her family includes her daughter Kelsie Whitmore (who has a son Homer with her husband Marshall) and her daughter Brittany Waggoner who has two sons Tripp and John Patrick with her husband Stephen. In her free time, Burrell enjoys traveling, spending time with family throughout Georgia, Florida and Mississippi, sewing bags/dresses for missions, quilting and gardening. Her plans for retirement are to enjoy her grandsons, spend time with friends and family and learn how to kayak.

"Holmes is a great place to work" Burrell said. "This has been my family for a plus years. This was also my first job that I had to apply for and have an interview! Thank you Steve Caldwell and Julie Brown!"

**Wanda Casoy** retired from Holmes after 18 years as a financial aid advisor. A graduate of Dumas High School, Casoy enjoys attending ball games, shopping and spending time with her children and grandchildren. She is also a member of Center Baptist Church. She and her husband Ricky Casoy have been married for 48 years. Their family includes their son Scott Casoy and his wife Lee; their daughter Emily Goldman and her husband Paul; Uncle son Jacob Casoy and his wife Haylen and grandchildren Kobe Casoy, Kaleb Casoy, Brady Casoy, Eliam Goldman, Nash Goldman and Bailey Casoy. She plans to enjoy time with family and spend lots of time with her grandchildren.

"I am thankful for all the years I have worked at Holmes," Casoy said. "Although I am excited about retiring, I also feel a bit sad to say goodbye to all of you. I am going to miss you. I have shared a special bond with all of you, and I am taking with me special memories of our time together."

**Maria Edwards** retired from Holmes after 24 years (23 full time, one year part time) as a foreign language instructor, teaching Spanish and French. She holds a B.A. from Salve Regina University in Newport, Rhode Island, and an M.A. from Mississippi State University. She also gained additional studies from spending one year at L'Alliance Francaise, La Sorbonne, Catholic University in Paris, France, and at University of Coimbra, Portugal. She is a member of Saint Thomas Catholic Church, a Board member for Catholic Housing and Community Services (CHCS) and a member of the Mississippi Foreign Language Association. Edwards was married in the 12th year "Don" Edwards who also taught and coached at Holmes. She has three children: Chuck Edwards, Elizabeth (Beth) Edwards Jones and Candice Edwards Parish. Her husband coached the softball program at Holmes, and both of her daughters played both basketball and softball for the Bulldogs. Her plans for retirement include traveling, tutoring young children, working at the Holmes Country Club and watching grandchildren play sports and other activities.

"One of my favorite memories was when I taught at all three campuses in the same year," Edwards said. "I also loved sponsoring the Scholars Bowl team and it was fun when the Goodman team won the state Competition at Ole Miss. Holmes offers an outstanding education. It has been an honor to be a small part of its success. For the past 24 years, HCC has been my home away from home."

# Retirements

Dorothy "Dot" Garrett retired from Holmes after 14 years of service. She worked in bookkeeping on the Goodman Campus. She is an active member of Ebenezer Baptist Church and enjoys fishing and spending time with family. Sadly, Garrett lost her husband of 48 years, Ernest Garrett, in March.

"I really enjoyed working at Holmes Community College." Garrett said. "I loved interactions with the faculty, the staff and the students. I loved Mrs. A.J., Mrs. (Tish) Stewart, Mrs. Shirley Harris. I loved all of them! Everyone was so wonderful. I love my own family but I also really love my Holmes family and will miss them! Thank you for making me a part of the Holmes family."

Gee-Wai Lee retired from Holmes after 17 years as a mathematics instructor on the Ridgeland Campus. Lee holds a Master of Science from Mississippi University as well as a Master of Divinity from New Orleans Baptist Theological Seminary. He is currently teaching high school math at the Education Center in Jackson. Lee is a member and life deacon of First Baptist Church in Jackson, and volunteers for missions work in China. He and his wife of 42 years, Angela, have a son Jonathan (married to Joanne).

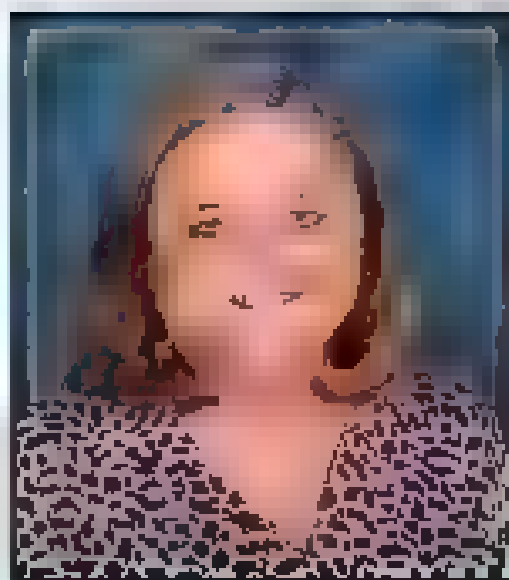

"My fond memories working at Holmes were plenty." Lee said. "I loved fellowship with coworkers at lunch, being a member of the Goodman and Choir, just to name a few. I thoroughly enjoyed working at Holmes. The friendliness of faculty members, interaction with students and the total environment of the campus were all wonderful."

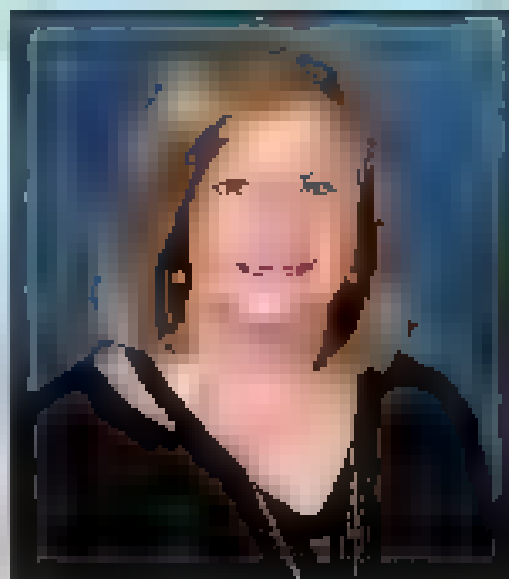

Mike Misita retired from Holmes after 13 years of service. While at Holmes, he served as offensive line tight ends coach and departmental chair/instructor for the Health, Physical Education and Recreation Department. Misita holds a master's in education from the University of Mississippi. He is an outdoors and sports enthusiast as well. He and his wife, Cindy Danton Misita, have a son, Michael I. Misita, and a daughter, Michal M. Misita. His plans for retirement are to continue enjoying the outdoors and to farm.

Frances Nix retired from Holmes after nine years as a sociology instructor and advisor on the Grenada Campus. She taught for 15 years prior to coming to Holmes. Nix holds both a bachelor's and master's degree in social science education from Delta State University. In her free time she enjoys gardening, reading, traveling, volunteer work (Food Pantry, Wednesday Night Missions) and attending her grandchildren's activities. Nix is a member of St. John's United Methodist Church, where she volunteers in missions and the children's ministry. She is also a member of Delta Kappa Gamma. Her family includes her husband, Mike; her sons, Michael and Justin and two granddaughters, Eyles and Karna. Nix's most special memories from Holmes are from the Social Science Basics Forum she taught with Mrs. Garrett and the field trips they took.

"I would say that Holmes is a wonderful school which provides many opportunities for all students," Nix said. Holmes Grenada is an awesome campus with an outstanding staff that goes above and beyond for our students. I will miss it greatly."

Carla Ross retired from Holmes after 19 years of service. She worked as a head librarian for 20 years and the last 19 of those were at the Holmes Grenada Campus. During her time at Holmes, she served as the head adviser for the Phi Theta Kappa Alpha Eta Beta Chapter. Ross holds an Associate of Arts from Holmes Junior College, a bachelor's in elementary education from Delta State University and a master's in media services from West Georgia College. Her first job was serving as a work-study student in the Business Office at Holmes Junior on the Goodman Campus. She also met her husband, Ken Ross, at Holmes in 1976. Together they have two children and five grandchildren. Ross hobbies include doing genealogy researching, sewing, cooking and traveling with her family. She plans on enjoying it all during her retirement.

# Retirements

Cheryl Smith retired from Holmes after 12 years of working in housekeeping on the Edgeland Campus. She enjoys knitting, cooking, trying to stay in shape and spending time with family. Smith has a son, Cary, and looks forward to spending more time with him and her family now that she is retired.

"I enjoyed working with everyone at Holmes, especially those in the Maintenance Department," Smith said.

Martha White retired from Holmes after 11 years of service working for the maintenance department on the Goodman Campus. Throughout the years, White has worked at a variety of places, including: Goodman-Pickens Elementary School, Greif Brothers Manufacturing Company, Lexington Products, Durant Nursing Home and Lexington Nursing Home. She began working at Holmes in 2003. White attends Union Memorial United Methodist Church in Pickens where she has been a member for over 80 years. Her hobbies include making pies and cakes for church events, watching basketball, watching football, listening to music and making people smile. She has been married to Willie White for 45 years. They have three beautiful daughters: Sheree White, Elizabeth White and Sarahacka White. They also have four grandchildren: Shemeka, Martin, Isaiah and Jago.

Brian Wooten retired from Holmes after 15 years as a police officer on the Goodman Campus. He began his career with the Lexington Police Department and retired as commander of the police department at Holmes. He also previously served on the SWAT team under North Central Narcotics Task Force. Wooten has a son, Robert Wooten, a daughter, Leanne Welch and a grandson, Lee Ross.

"My fondest memory at Holmes was helping build the police department into what it has become," Wooten said. "I also loved being a member of the Daring baseball family and enjoyed the lifelong friendships I made because of the baseball program."

# In Loving Memory Of Redgner "Gail" Gross

Holmes Community College faculty and staff members were heartbroken at the passing of Redgner "Gail" Gross, one of the housekeeping employees on the Ridgeland Campus. Gross passed away on Aug. 9, at the age of 80. She was a native of Canton and a member of the Holmes family for nearly 10 years.

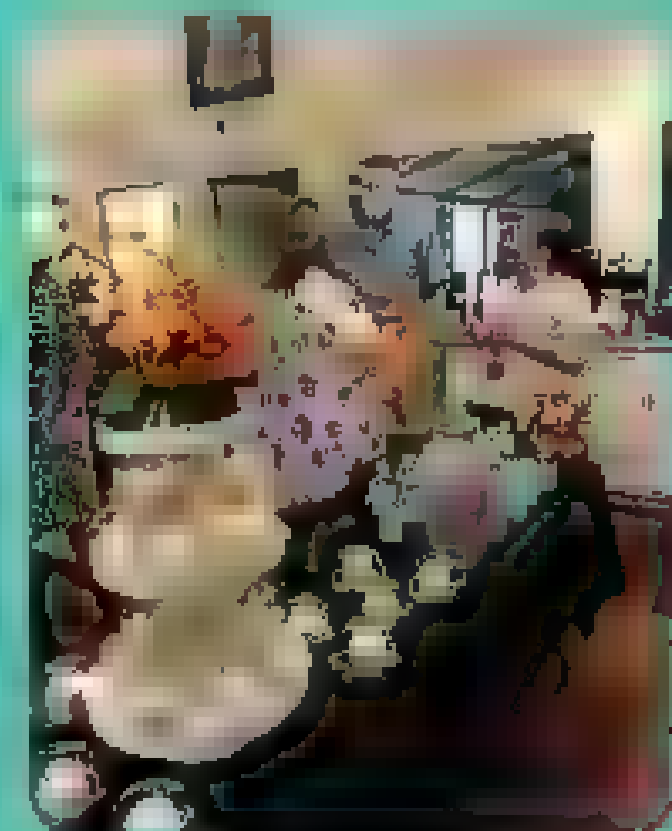

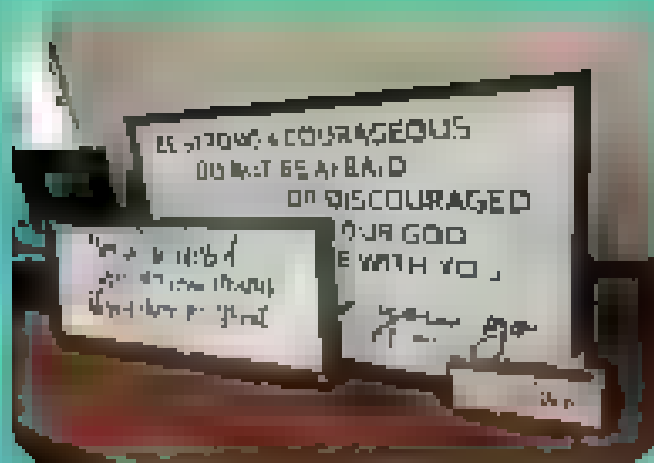

The visitation for her was held on Aug. 17 at the Family Memorial Funeral Home in Canton with the graveside service following the next day at the Murphy Chapel in Camden. Three of the Holmes housekeeping employees on the Ridgeland Campus Barbara Moody Cheryl Smith and Alice Watson shared their thoughts about their dear friend.

"We write this with great sadness over the unimaginable loss of a co-worker and friend. Gail was well-known for her love of cooking and singing. At times, she would nourish and take care of some of

the teachers' personal plants. Her faith and love for God led her to share with others she came into contact with. One of her favorite sayings was 'Help us Lord.' We miss her!"

Holmes Ridgeland Campus Vice President Dr. Don Burnham also commented on what a joy Gail was.

"Gail was extremely loyal to Holmes Community College," Dr. Burnham said. "She loved her job and she loved the people she worked with in Ridgeland. However, Gail did not mind telling you what she thought and she and I had numerous conversations about work and life. My fondest memory of Gail is her love for the Bible and the Lord Jesus Christ. If you mentioned the Bible or Jesus, her face would light up and she would become excited to talk about either. The Ridgeland Campus has lost a true friend in Gail and her presence will be sorely missed."

"I am honored to know Carla and to call her my friend. I considered it a special privilege to work with her for many years at Holmes where I was able to witness how dedicated she was to helping our students succeed. She was knowledgeable about all the resources in our library and it was obvious that she enjoyed articulating our academic goals. She was available to them all our days. Her ability to encourage, offer assistance and show kindness to many students made her more than just a librarian. Pam Moore English Instructor

# Carla Ross Retirement Reception

On Nov. 6, 2020, the Holmes Community College Grenada Campus honored Grenada Campus Librarian Carla Ross with a retirement reception. Ross announced her retirement from the college after 15 years of dedicated service.

Ross received her Associate of Arts from Holmes Junior College, her bachelor's degree in elementary education from Delta State University and her master's degree in media science from West Georgia College. Her first job was working as a work-study student in the Business Office at Holmes Junior on the Goodman Campus and her last job was head librarian at Holmes in Grenada.

Ross completed her professional career as an educator after 31 years. She worked as a head librarian for 20 years and 15 of those were at Holmes.

During her time at Holmes, Ross served as the local adviser for the Phi Theta Kappa Alpha Mu Beta Chapter on the Grenada Campus. In 2010 she led the chapter to receive the Most Distinguished Chapter Award, which is the highest honor a chapter can receive from Phi Theta Kappa.

She met her husband, Ken Ross, at Holmes Junior College in 1978. Together they have two children and five grandchildren. Ross hobbies include doing genealogy research, sewing, cooking and traveling with her family. She plans on enjoying it all during her retirement.

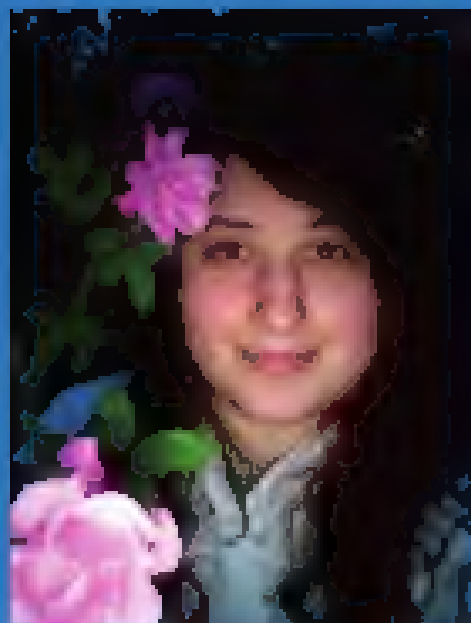

"No words describe Carla better than Colossians 3:23 'Whatever you do work at it with all your heart, as working for the Lord and not for human masters.' Carla conducts herself whole heartedly in everything she does, whether it is working with students in the library or through Phi Theta Kappa or being a colleague and friend. Her love for Holmes Community College, of learning and for people have been a blessing to me and so many others." Ann Coleman, assistant librarian

"Carla was great to work with. She has persevered from moving books to moving boulders." Kevin Baker FI

"We honor and thank Mrs. Ross for her dedication and service to Holmes Community College. I personally have valued her devotion and guidance over the past few years, and I have no greater appreciation for the positive impact she has had on my life." Nykeasia Stewart, student

## Editor Reflection

Editor Aaron Sant'Angele with antique roses from his garden

The trials that we've overcome during the pandemic are reflective of the determination and perseverance of Holmes' students. For many, the 2020-2021 year may be one filled with struggles, yet there is a bright glow as our sophomores are graduating, students complete their first year of college and our incoming freshman eagerly prepare to enter college for the first time.

Holmes has been an opportunity for self-reflection and discovery. Most importantly, for many of us, it's materializing our ambitions. We're finding hope for a better future through the realization of our goals and the support of faculty and peers. Although there have been struggles, my time at Holmes has reinforced my love of learning and the confidence to know that success is possible. From the patient guidance of my adviser, Mrs. McCoy, conversations with the librarian, Dr. Napole, to Mr. Denton changing my future by going out of his way to assist me with college applications. They weren't just faculty. They were my mentors and advocates. It would be an injustice to regard Holmes as merely a means to an end, when there's a community to immerse yourself in.

My involvement in the yearbook has been a great source of enjoyment. Mrs. Busby encourages the staff to do their best, by leading with patience, kindness and optimism.

I'd like to show my and the yearbook staff's appreciation for the janitorial staff who work tirelessly to keep Holmes looking beautiful. Your meticulous work is the first thing that many, myself included, see when we enter. Your work is some of the most crucial at this college, even more so during a pandemic, and perhaps some of the most overlooked. Thank you for your dedication.

# Colophon

The 2021 edition and 92nd volume of Horizons is a publication of the Holmes Community College Communications Department and students on the Horizons yearbook staff. The Marketing Department contributes to Horizons, as well.

Founded in 1897, Jostens is the publisher of Horizons. Without their help, we would not be able to provide you with a quality publication each year. N-Focus Photography took the faculty, staff and student headshots. We are proud of the work they do.

We would also like to thank the Holmes Community College Board of Trustees for allowing us the opportunity to produce this book on behalf of the institution, its faculty, staff and students.
